Roof inspection report.

Complete this on every inspection, including the ones with no damage. The written verdict is the product. A homeowner who gets “your roof is fine” in writing is the best referral source this company has.

Windows / garage door		

NON-STORM CONDITIONS NOTED

Wear, prior repairs, ventilation, decking, flashing detail. Call these out honestly. it is what separates our report from a storm chaser's.

VERDICT

☐ **No claim recommended.** Damage found does not rise to a filing in our judgment. Homeowner receives photos and this report for their records as a dated baseline.

☐ **Damage worth filing.** Documented above. Homeowner files with their carrier; PowerEdge will attend the adjuster appointment with photos and measurements.

☐ **Repair recommended, not a claim.** Scope and price quoted separately.
