poweredge

THE POWEREDGE STANDARD.

- **We'll tell you if your roof is fine.**
No invented damage. Honest verdict, in writing.
- **No deductible games — ever.**
Waiving deductibles is a crime in Texas. We don't play.
- **We document. Your adjuster decides.**
Photos, measurements, written scope — by the book.
- **Deductible tight? Finance it.**
From \$250 down — paid in full over time, never waived.

**Most Texas policies give you about a year
to file after a storm. Don't sit on it.**
