THE POWEREDGE STANDARD.

- **We'll tell you if your roof is fine.**
  No invented damage. An honest verdict, in writing.
- **No deductible games. Ever.**
  Waiving a deductible is a crime in Texas. We don't play.
- **We document. Your adjuster decides.**
  Photos, measurements and a written scope, by the book.
- **Insured, and you can check.**
  $2,000,000 in liability coverage. Ask us for the certificate.

Some Texas policies give you as little as one year from the storm to file. Don't sit on it.
